# Geometric Painting

Ages 4+

Activity includes mini canvas, paint, paint brush, Washii tape and a cup for water

## Option 1

1. Decorate the canvas with washi tapes in whatever way you like.
2. Cover the canvas with paint (over the washi tape as well!).
3. Peel off the washi tape and see what art you've made!

## Option 2

1. Cover the canvas with paint.
2. Decorate the canvas with washi tapes in however way you like!
3. Leave the washi tapes on the canvas and see what art you've made!
